Dietary Information

Is the product suitable for:

OVO-Lacto Vegetarians	YES
Vegetarians	YES
Vegans	YES
Diabetics	YES
Coeliacs	YES
Restricted use (i.e. children)	No

*Gluten has never been detected in malt vinegar. Gluten from barley is removed or destroyed in the manufacturing process. The Coeliac Society indicates that malt vinegar is safe to consume by Coeliacs partly due to the low volume consumed but also to the absence of detectable levels of gluten protein.

Supplier Declaration

Drivers Foods LLP declare that this product (including its packaging, container and labels relating to it) as described in this specification conforms fully to the requirements of all current and appropriate UK and EU Food, Hygiene & Packaging, Weights & Measures, Trades Description legislation and any other legislation specific to the product. In addition the company will keep abreast of changes to legislation and will work with all parties to ensure the product remains legally compliant.

Drivers Foods LLP reserve the right to purchase equivalent raw materials from other approved suppliers.

Further to this, we warrant that we have carried out sufficient checks on all food supplied as a diligent supplier would have reasonably carried out, to comply with the above legislation and regulations and from this, it is reasonable for our customers to be able to rely upon these checks.

This specification has been generated electronically and is valid without signature. Exported from Drivers Foods LLP database **19 March 2009**.
